Duhok, Kurdistan, 41002, Iraq

Detail-oriented Front-End Developer with 2+ years of experience building interactive web applications. Proficient in HTML5-CSS3, JavaScript-React.js, Tailwind CSS, and AngularJS. Passionate about creating responsive, user-friendly designs and optimizing site performance. Strong collaboration skills with focus on clean, maintainable

## Work Experience

### Front-End Developer

Mar 2022 - Present

Developed responsive websites (e-commerce, restaurant, booking platforms) using React.js, JavaScript, and Tailwind CSS, improving user engagement by 30%.

Optimized site performance through code refactoring, reducing load times by 20%.

Collaborated with UX/UI designers to translate Figma mockups into functional, accessible web applications.

Implemented mobile-first designs ensuring cross-device compatibility.

### UX/UI Designer

Feb 2021 - Present

Designed intuitive interfaces using Figma, enhancing usability and conversion rates.

Created wireframes, prototypes, and high-fidelity mockups for 10+ web projects.

Conducted user research and A/B testing to refine UI components.

### Project Manager

Present

Led cross-functional teams to deliver projects on time and within scope.

Tracked progress using Agile methodologies, resolving bottlenecks and improving workflow efficiency.
